

# October 2010

Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday
<p>October is Fire safety Month. We will continue learning about the importance of fire safety and how it affects young children. Later in the month we will take a field trip to Van Horn Woods. Our teaching curriculum, for the next few weeks, will be based on things we observed on the field trip and then we will present a "Fall Program" for you in November, also based on the trip. Our color for October is orange and the shape is a circle. The 4-5's will be introduced to the letters Ff, Ll, Hh, and Oo.</p>					1	2
