<p>Welcome! We are looking forward to a year which is interesting, educational and FUN for all of our children. We will begin our classes with classroom tours and building tours so that the children will be comfortable in their surroundings. When we take our building tours on September 12th and 14th we would like your child to bring one of their favorite stuffed animals, so that they can show their animal their new school. We will send further notes explaining this event. Our color of the month is red and the shape we will study will be a circle. The 4-5 year olds will be introduced to the letters Ff, Mm, Aa, and Ss.</p> <p>* Make a special note to come to our Open House - Everyone is invited!!!</p>						1
